

ColdfusionCMS.eu - Terms and Conditions

1. Use of Coldfusion CMS

Before using Coldfusion CMS you have to make a one time donation of 4,99 euro. After this is paid you can download and install Coldfusion CMS on your own domain/server with Coldfusion support. If you do not pay you can not save your content in the CMS editor. It is a single domain serialkey for one website.

2. Payment of Coldfusion CMS

You can pay with iDEAL (sisow) or with Paypall (paypall of creditcard). There will be no refund, you will get full support on your own installation if you give us the access to it. If you did pay but you are not getting it to work and we can't get it to work either, you will get a one year free hosting account with Coldfusion CMS pre-installed. It is a one time donation.

3. Hosting of Coldfusion CMS

Each hosting account will be setup with a pre-installed Coldfusion CMS. The minimum period is one year.

4. Support of Coldfusion CMS

For both hosting-accounts as download-accounts you will get full support.
